

MINUTES

Curriculum and Requirements Committee Special Education Meeting February 25, 1997

Committee members Tierson, Rice-Jones, Eberhart, Taylor, Christensen, and Welshon were present. Ex-officio member Tom Wynn, and Paul Sale from the School of Education were also present. Elaine Prescott was present to take the minutes of the meeting.

- A. Replacing CHEM 102 with CHEM 121 - Introduction to Physical Science to fulfill the Science Area Requirement was APPROVED.

Adding PES 121 - Introduction to Physical Science to fulfill the Science Area Requirement was APPROVED.

- B. Changing Introduction to Social Research from SOC 112 to SOC 212 and from 3 credits to 4 credits was APPROVED.

Changing SOC 317 - Social Statistics from 3 credits to 4 credits was APPROVED.

- C. Paul Sale made a presentation and a discussion was held on proposing a B.A. Interdisciplinary Distributed Studies major with licensure in special education. Tom Wynn and Forrest Tierson will do some research on ways to implement this. This will be brought to the entire LAS faculty at the faculty meeting on Friday, February 28, 1997.

- D. The issue of ID 105 was discussed again. The proposal was made to structure the conversation at the faculty meeting, at which the four questions will be asked: 1. Do we need a Quantitative/Qualitative requirement? 2. What is this requirement? (What concepts does it include?) 3. What courses could fulfill this requirement? 4. How do we deal with classes suspected to be remedial?

Thomas Wynn, Associate Dean of LAS

The next C&R Committee meeting is scheduled for March 11, 1997 in MH 422. Please have your agenda items to Elaine Prescott (CH 113 - 3040) no later than March 4, 1997.
