D. DISCUSSION ITEMS

Pre-Collegiate Program

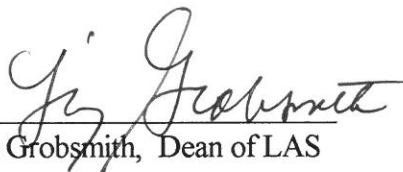

Irene Martinez from the Pre-Collegiate Program was present for discussion of granting college credit for pre-collegiate course ID 103, offered during Summer semesters. This course was previously approved by the committee for a period of one year (Summer 1996) pending review. Some committee concerns are:

1. How does ID 103 relate to courses such as ENGL 121 (offered for no credit).
2. ID 103 is taught for credit on the other UC campuses, however it is taught through Continuing Education.
3. Who is teaching the course, high school teachers or college professors?
4. Should this issue be discussed/decided by the LAS faculty rather than the committee?
5. What exactly is the course content, who created/constructed the curriculum?

The committee will invite Tom Napierkowski, Sherry Morreale, and Debbie Odell who were instrumental in the development of ID 103 to the next committee meeting for further discussion.

Committee Vacancies

Forrest Tierson will contact Bob Hughes about filling the immediate vacancy on the committee left by Julia Hoerner. This vacancy should be filled by a faculty from the Social Sciences. Another vacancy will need to be filled at the end of Fall semester when Dr. Tierson's term will be at an end.

Liz Grobsmith, Dean of LAS

***The next C&R Committee meeting is scheduled for November 12, 1996, 8:00 a.m. , MH 414.
Please have your agenda items to Joyce Edick no later than November 4, 1996.***
