D. Tabled action on the following:

1. Proposed new courses GES 200 and GES 451 (no department representative attended the meeting).
2. Proposed new courses ENGL 311, 312, 313, and 314 (no department representative attended the meeting).

E. Noted proposal for new graduate courses BIOL 530 - Advanced Exercise Physiology and I D 590 - Mathematical Coloring Course.

F. Made the following recommendations:

1. In the spirit of keeping the same type and tone of descriptive wording for all LAS courses listed in the University catalog, the committee recommended that Alex Soifer be asked to rewrite the descriptions for I D490/590 as well as all other courses which he has listed in the Interdepartmental Studies section of the bulletin.

Jan (please initial your approval of this recommendation)

2. That the College ensure against the possibility of an entire graduate program being constructed with the I D 500 level courses.
