OLD BUSINESS

A. Minutes of meeting of October 23, 1985, approved.

NEW BUSINESS

- A. New Course: S SCI 102-3, Research Methods in Social Science, approved. This course will be reviewed by the Social Science committee to determine its validity as a permanent part of the Social Science portion of the Area Requirements.
- B. New Course: PES 426-3, Quantum Mechanics II, approved. Tentative approval is given with the stipulation that Mr. Robbins vita be turned in as soon as possible.
- C. New Course: ANTH 346-3, Indian Cultures of Latin America, approved. This course will be cross-listed as a Foreign Culture course for Foreign Language majors.
- D. Reconsideration: PES 100-4, Physics in Everyday Life, as a Lab Course for the Natural Science Area requirement, approved. This course will be reconsidered in Spring 1986 to insure that the lecture hours and laboratory hours have been properly identified.
- E. Point of Information: PHIL 344-3, Symbolic Logic. The Committee voted that Math majors must take this course as one of the four courses used to fulfill the Humanities Area Requirements in Letters, Arts and Sciences. Math students in LAS will be the only students permitted to use PHIL 344-3 as one of the Humanities Area Requirements courses. This decision will be reviewed at the conclusion of Spring semester 1987.
- F. Revised Course: MATH 340-3, Intro to Differential Equations, approved.
- G. Revised Course: MATH 313-3, Intro to Linear Algebra, approved.
