COLLEGE OF LETTERS, ARTS
AND SCIENCES

CURRICULUM AND REQUIREMENTS COMMITTEE
Minutes
meeting of 12/17/76

Members present: Ballantyne (chairman), Dance, Eley, Null, Tregarthen,
ex. officio: Bennett and Burns

I. Changes in the Fine Arts major

Motion: Dance. Second: Null. Following discussion the proposal was
approved with the following revision:

The studio major shall consist of:

Studio: Level A.....8 hours
 Level B.....12 hours
 Level C.....15 hours
 Electives....0 to 10 hours
 34-45 hours total

ArtHistory: survey.....6 hours
 upper division.....6 hours

For studio majors, Art History courses will not be included in the
major hours total when major hours are computed for graduation certification.

Approval was also expressed for the requirement that each student have
contact hours with a minimum of 3 professors.

II. New course: Polish 101-4, Beginning Polish

Motion: Eley. Second: Tregarthen. Approved as a Continuing Education
offering, this approval not to imply that the course may be offered in
the LAS foreign language department. Because such a change would imply
new resource committments, it would first have to be approved by this
committee.

III. New course: LHY 469-3, The Presidency and the American Secretaries
of State

Motion: Null. Second: Eley. Approved as a vacation college course.
Before approving as a regular LAS offering the committee would want to
see the "topical outline of course", item #12 of the course outline.

IV. New courses: LPHY 195 and 196-variable, Special Topics

Motion Eley. Second: Null. Approved with the following additions:
(1) may count toward the College natural science requirement.
(2) prerequisites depend on topic, and
(3) may be repeated under different topics.

Respectfully submitted,

Robert E. Burns, Student Advisor

Robert E. Burns
