G. INFORMATION: New Requirements for Philosophy Majors.  
The Committee acknowledged and approved this program.

H. INFORMATION: Natural Science Lab Requirements.  
After a thorough discussion by the Committee, a  
decision was reached to give an exact definition of  
a Lab course and the number of hours to be completed  
in the laboratory (i.e., two or three hours).  
Dr. Klingel will prepare and transmit to all committee  
members an explanation of this requirement. Further-  
more, the present list of Lab courses will be revised  
to identify only those LAS courses that fulfill the  
Lab requirement.
