

MINUTES

LA&S Curriculum and Requirements Meeting

Friday, April 6, 1973

Members Present: Dean Ballantyne (Chairman); Professors Blade, McKay Volan; Mrs. Baker, Guest Visitor; Coakley

Motions

Prof. Blade moved to approve the minutes of the previous committee meeting. Seconded by Prof. McKay. Passed.

Prof. Blade moved to approve Soc. 362-Sociology of Leisure and Sport, recommending that it be considered again before the committee if and when the course is proposed for fulfilling the core requirement. Seconded by Prof. Volan. Passed.

Further agenda items were deferred until April 10 meeting.

MINUTES

LA&S Curriculum and Requirements Meeting

Tuesday, April 10, 1973

Members Present: Dean Ballantyne (Chairman); Professors Blade, Busey, McKay, Mr. Johnson, Mrs. Baker

Motions

Prof. Busey moved to approve Geography 446-Field Studies in Geography: Survey of the American and Canadian Rockies, but without endorsing the 9-credit hour proposal. Seconded by Prof. McKay. Passed.

Mr. Johnson moved to recommend 4 credit hours for Geography 446, provided Dr. Beyer concurs. Seconded by Prof. McKay. Passed.

Prof. Busey moved that the committee table the proposed course outline for MaSc 165-1-Engineering General Physics Laboratory pending further clarification from the School of Engineering. The motion to table was seconded by Mr. Johnson. Passed.

Respectfully submitted,

Douglas R. McKay
Committee Secretary
