I. OLD BUSINESS

- A. Approval of 25 April 1983 meeting, approved.
- B. New Courses: 1. GEOLOGY 358, Planetary Geology  
2. GEOLOGY 458, Meteoritics

Comment: These courses were approved for their academic content, but were tabled until such time as Dr. Paul Grogger assigns them course numbers and explains to the C&R Committee the direction and further disposition of the Geology department at UCCS.

II. NEW BUSINESS

- A. New Courses: 1. BIOLOGY 351, Clinical Application of Flow Cytometry, approved.  
2. BIOLOGY 488/588, Principles of Flow Cytometry, approved.  
3. BIOLOGY 489/589, Advanced Flow Cytometry, tabled.

Comment: The Biology department is asked to explain how the assets of the Biology department can support these new courses along with its present teaching requirements.

- B. New Course: RELIGIOUS STUDIES 333, The Mystical Quest: Life and Poetry of St John, tabled, until a decision is made on whether this is an Honors course or a Religious Studies course. The Honors Committee must pass the course in the former case.

- H. Military Science Request: Acceptance of 19 hours of ROTC-Military Science credits toward the LAS degree, no action taken at this time. A recommendation will be made that this request be presented to the entire LAS faculty for their approval. The Professor of Military Science should be prepared to present his request/proposal at that time.
- I. Request for new requirements from LAS Academic Advising, approved, for presentation to LAS faculty for comments.
1. Students in the College of Letters, Arts and Sciences may not use the Pass/Fail option for courses taken to fulfill the Area Requirements; the English composition requirement, or the minimum requirements for the major.
- Students exercising the Pass/Fail option may take up to 16 hours of elective credit on a P/F basis; for transfer students, the limit is one hour in every eight hours attempted at UCCS. Students may take only six hours maximum Pass/Fail each semester, including the one before graduation.
2. Up to eight hours in activities courses (physical education, applied music, ensembles, hygiene, first aid, dance, in any combination) may be counted toward a BA/BS degree.
3. Students are subject to those major requirements in effect at the time the student formally declares a major.

NOTE: The above changes to become effective in Fall semester 1983.
