LAS Online Incentives Program
Faculty Resource Center Teaching Online Program Enrollment Request

Thank you for your interest in the FRC's Teaching Online Program. To request enrollment: 1) complete the sections below, 2) get approval signatures by sending to Lily Cosgrave at lcosgrav@uccs.edu, then 3) request enrollment by sending this form to frc@uccs.edu. You will receive an email from the FRC confirming your enrollment. Upon successful completion of the badge, you will receive an email and a digital badge from Credly. To begin the stipend payment process ($2,000 minus taxes), please create a .pdf of the digital badge and send to Lily Cosgrave at lcosgrav@uccs.edu.

Which Badge?

If you are converting an in-seat course to an online course or are creating a brand new course to teach online, you should enroll in **Online Course Design**.

If you interested in learning how to design accessible course content for a course that is currently offered online, you should enroll in **Design with Accessibility in Mind**.

If you are new to online teaching and the course you will be teaching online is already created in Canvas as an online course, you should enroll in **Online Facilitation**.

If you are interested in certifying an online course you create using the OLC Quality Assurance Scorecard, you should enroll in **Design for Quality Assurance.**

For program information, review the Teaching Online Program brochure or email frc@uccs.edu.
